

SPECIAL NEEDS

Is the conference venue suitable for walkers and wheelchairs?

Yes. You will not need to use either stairs or elevators to get into the hotel or once inside.

The parking lots are right next to both the front and rear hotel entrances and on the same level.

Once inside, all events – classrooms, Genealogy Expo, restrooms, coffee shop and restaurant – are on the ground floor and in close proximity to each other.

What about the lecture rooms?

You may wish to get to each session a little bit early to get a seat near the front if you have difficulty hearing or seeing or need to maneuver a wheel chair. We will have a volunteer at each session room to assist you.

You may also wish to dress in layers, as one person's 'chilly' is another person's 'hot'.

How Can I Make a Special Meal Request?

Although lunch is 'on your own', we have made arrangements with the Marriott for a buffet soup and sandwich lunch (~ \$15) which will also have vegetarian items. You may also order off the restaurant menu. You may contact the Marriott directly at 703-352-2525 for further information or to discuss your requirements.

See the restaurant page for information on other restaurants in the area.

More Questions?

If you do not find the answer to your question here or at other pages with conference information, please email your question to Gordon Erickson at conference@fxgs.org or the FxGS webmaster at webmaster@fxgs.org.
