

## Fairfax County Revolutionary War Veterans

This database includes Revolutionary War veterans who were:

Born In a location that later became part of Fairfax Co. So a soldier born prior to the 1742 formation of Fairfax Co. in an area that later became part of Fairfax is included.  
 Born OR died/buried in a location that was taken from Fairfax Co -- Loudoun, Alexandria, and Arlington counties  
 Born OR died/buried in Fairfax Co (or City)

The database also includes a few veterans who were not born or did not die in Fairfax Co but enlisted from or were living in Fairfax Co when they applied for a pension .

The database provides the following information -- soldier name, parents' names, soldier's birth and death/burial dates and locations, max rank achieved, pension (to include surrogates such as pension application or bounty land warrant) identifier, unit(s) served in. The database references pension applications supplemented by secondary sources -- Family genealogies and trees, World Connect material that lists sources, etc.  
 The Fairfax County Genealogical Society assumes no responsibility for the correctness of the data. Individuals using the data should check the material and access primary sources for his or her genealogy.
